Wine Gala

Raffle Prize Winners

A toast to the OCCH – what a wonderful event we hosted with the generous support of the Fresh Market. We are indebted to John Craven and his staff at the Fresh Market for all that they did to make this such a special event. Please stop by the Fresh Market and thank John or his managers Scott, Haley and Evan as they all helped out.

On our part – this was truly a team effort. Seventeen club members were actively involved. How absolutely wonderful to have such strong support from our club membership. Through your efforts Phyllis reports that we raised over **\$3600!**

The fund raising was certainly the focus, but I believe that there will be many other very positive outcomes. For one, it was wonderful publicity for the club. Plus GREAT fellowship.

A special thanks goes to Henry for identifying the opportunity and to the committee, Phyllis, Bob, Trish, Jerry, Madeline, and Henry, for working out all of the details and the necessary follow up. Many thanks to Melissa Stout, too, for preparing all of the signs for our *Fabulous Wine Gala*.

Lending Legs for Learning 5K Race Saturday, June 5th

Lucy Murdock's project, Lending Legs for Learning, to raise funds for books at UNC Children's Hospital, was held at Bolin Creek Greenway on June 5th. We have received a note of appreciation from Lucy for our sponsorship of this event. She raised approximately \$2000 and we are pleased with her efforts. Optimist members assisted at the race with registration and in setting up a water table at the midway point of the race. Thanks to all who helped. We hope to have Lucy visit us with more details soon.

C2C reports it had another great year making sure that students in Durham have the tools they need to learn.

They provided almost 500 teachers from 21 schools with shopping trips at their location in Downtown Durham – approximately \$46,000 value. C2C donated 56,000 spiral notebooks to Durham Public Schools – approximately \$56,000 value. This means over **\$100,000** worth of supplies went to students at some of Durham's highest need schools.

C2C offers its thanks to the OCCH for its generous contribution of \$500.

Likewise OUCH extends its appreciation to Executive Director, Jenna Boitano, for her fine job and the C2C's many contributions to Durham Public Schools. Together we are making difference!
