Investing in Turbulent Times

Daryl Riggins, Edward Jones

Thanks to Bob for bringing Daryl Riggins of Edward Jones to speak with us this evening. Daryl shared with us a variety of approaches to investing in ways that help ride out market shifts.

He talked at length about strategies that benefit investors in the long-term rather than focusing on short-term gains. He discussed the uncertainties in the European markets and their impact on US investors, and stressed the importance of NOT letting emotional reactions or politics drive your decisions.

Sip, Savor and Support

Bob reported that our fundraiser with Total Wine, Sip, Savor & Support raised nearly \$2500 this year. We appreciate all the help from members in selling tickets and publicizing this event. We thank our vendors, The Meat House, Blue Sky Oil & Vinegar, The Chocolate Door, and Warmia Bakery for their contributions and Total Wine for hosting us. Please visit these vendors and support them as they have supported us. Thanks to Beth for all her work organizing this and making it happen! Congrats to Melissa Clark on winning the basket.
